You should see events to select from if there are events currently open for registration. If you do not see any events, you should make sure your county extension office has confirmed you as an active 4-H member.

If the event has a box to the left of it, you can check that box to register for that event.

If it has a box with a 0 in it to the right

If your local county extension office offers scholarships or discounts for attending state events, do not complete the “Checkout” page until you have spoken to them.
