RULES & GUIDELINES MANUAL

ARKANSAS 4-H FOOD CHALLENGE RULES OF PLAY

- General guidelines, resources and instructions will be provided prior to the start of the contest.
- No electronic devices or jewelry (except for medically required) is allowed in the contest area. This includes cell phones, smart watches, or other communication devices.
- Each team will be assigned a cooking/preparation station.
- Each team will receive main ingredient.
- Teams will have access to a pantry of additional ingredients which should be combined with the mystery ingredient to create an original recipe/dish during the contest. Pantry items will include products commonly found in home pantries including items such as produce, seasonings, oils, etc.
- Teams must use at least two items from the pantry.
- Each team will have 40 minutes to prepare the dish, plan a presentation, and clean up the preparation area.
- Teams may only plug in one piece of equipment at a time to reduce the risk of electrical malfunction. Contest officials will announce if this is necessary during participant orientation.
- Each team will create an entire dish/recipe using the provided mystery ingredients and pantry items.

Dishes/recipes created should include two or more servings. Teams will present the entire dish/recipe to the judges and communicate during their presentation what an individual serving size should be. Teams are responsible for determining the number of servings their dish provides. Teams should not create side or multiple dishes with their ingredients/pantry items.

Teams are challenged with being creative and developing their own recipe with the ingredients provided.

- a) Teams will determine the exact amount of each ingredient used based on their original recipe.

RULES & GUIDELINES MANUAL

- b) The main ingredient and/or pantry items selected should be used to garnish the dish.
- c) Note cards and the Food Challenge Worksheet may be used to write down the recipe that the team creates, along with notes related to nutrition and food safety. Teams should be exact on ingredients used, preparation steps, cooking time, temperature, etc. Worksheets will be turned into the judge.
- A safe and sanitary working environment must be maintained during the contest. Each station will have food and kitchen safety resources. Teams should follow the steps listed to ensure proper food and equipment safety is followed. Judges will be scoring teams on food and equipment safety during the preparation phase of the contest. Teams should also discuss safety steps used during the presentation phase of the contest.
 - a) Gloves need to be worn throughout the contest. Proper hand sanitizing techniques are required and expected throughout the contest as well. Participants must change gloves between handling raw meats/ seafood; handling cooked items; and ready to eat items or raw vegetables to prevent cross contamination.
 - b) Each team member must wear a hat, hair net and/or other type of hair restraint during the food preparation part of the competition.
- Each station will have a variety of nutrition resources/references. Each team should highlight key nutrients in their dish and their functions during their presentation.
- Price(s) of the key ingredient and pantry items will be provided to teams. Teams will calculate the price of the dish based on the amount of ingredients used. Teams should calculate the cost of the total recipe, and the price per serving. Teams will determine the number of servings for their recipe. **Juniors will figure cost of entire recipe only.**
- Each station will be given steps and resources to discard all waste and unwanted items from the stations. Each team should highlight some key steps that were taken to recycle materials during the clean-up in their presentation.

Clean-up time is included in the 40-minute preparation allotment.

RULES & GUIDELINES MANUAL

- The Pulaski Technical Culinary Arts & Hospitality Institute is LEED-certified, green learning, zero-waste facility. A single-stream recycling system is used in which materials are collected together and later separated for reuse at a sorting facility. The food scraps, recyclables, and trash compromise will be disposed of in bag-less bins.
 - a) Red Bin: Compostable Items
 - b) Green Bin: Acceptable Recyclables Items
 - c) Black Bin: Trash Compromised Items

Further information regarding recycling can be found in the 4-H FOOD CHALLENGE RESOURCES section.

- Following the preparation phase of the contest, each team will give a 5-minute presentation to a panel of judges. A majority of team members should participate in the presentation. At the end of 5 minutes time will be called. Additional time will not be allowed. Judges will be allowed to ask questions. Judges will not ask questions related to what teams should have covered during the presentation. Judges questions will be related to general nutrition, health, chronic disease prevention or others relevant to food and nutrition.
 - a) To earn maximum points, teams must use the 5-minute presentation to address the following areas of the presentation scorecard: Knowledge of MyPlate, Nutrition Knowledge, Food Preparation, Safety Concerns, Serving Size, and recycling waste.

Please note: Once the 40 minutes of preparation time expires, team members may no longer communicate with each other. Team members may study their notes individually.

- Finished dishes MAY NOT leave the preparation/judging areas. Dishes may be discarded after teams complete the judging process to ensure teams in following heats do not see what ingredients are available to gain an advantage. Specifics will be announced they day of the contest.
