WHAT IS 4-H O-RAMA?

For youth throughout the state, the 4-H O-Rama program is the culmination of a 4-H member's year of hard work and dedication. It is designed to supplement the county 4-H program and project work. Each year contests are held on the county, district and the state level. The District 4-H O-Ramas are held in each district. The State 4-H O-Rama is held on the U of A Fayetteville campus and over 2,100 youth and adults attend annually. The 4-H O-Rama consists of approximately 40 competitive events. Most of these contests require each individual or team to qualify at the county and district level. Arkansas (State) 4-H O-Rama also offers state-only contests. During the Arkansas (State) 4-H O-Rama, 4-H members and adults opportunity can participate in educational workshops offered throughout the event.

District Events: OU June 9, OZ June 10 & DE June 11. AR (State) July 20-23.

4-H O-RAMA OBJECTIVES

ENTRY COMPOSITE

All participants must meet Arkansas 4-H Program eligibility requirements. Team members must be currently enrolled 4-H members from the same county 4-H program. To qualify for District and/or Arkansas (State) 4-H O-Rama events, contestants must be selected through a competitive county-level activity, event, or judging process. Additionally, contestants must compete at the district level to be eligible for District Qualifying contests at Arkansas (State) 4-H O-Rama. Contests designated as “State-Only” at Arkansas (State) 4-H O-Rama do not require participants to compete at the District 4-H O-Rama.

NUMBER OF CONTESTS A 4-H MEMBER CAN ENTER

A 4-H member may enter only one contest at District 4-H O-Rama. At Arkansas (State) 4-H O-Rama, a member may enter one contest per day. District qualifying contests are held on Tuesday, and members must compete at the district level in order to participate in the same contest at the state level. State-Only contests are held on Wednesday. Members who do not compete at the district level may participate in a State-Only contest.

SUBSTITUTIONS

If an emergency prevents a 4-Her from participating, substitutions are allowed at the district and state levels in order to maintain the original number of registered participants and/or team members. Substitutes must be from the same county and can compete in any event.

The deadline for requesting any substitutions, with the exception of an emergency, is the close of the regular O-Rama registration deadline. If substitutions occur during the late fee period, additional fees may be assessed.

All substitutions for the O-Rama contests must be approved by the state 4-H O-Rama coordinator. This substitution rule will be upheld for any team advancing to a national competition. Only the same number of 4-H members qualifying from the same county will be eligible to participate.

ANNOUNCEMENT OF RESULTS

Once announced, all results are final.

However, it is the facilitator's prerogative to rotate the parents in and out between demonstrations to ensure that each parent is able to view their child's demonstration. If parents are waiting in the hallway to rotate in, they **MUST** remain quiet to not disrupt other demonstrations. Room monitors should ensure that guests are not disruptive.

NATIONAL CONTEST ADVANCEMENT

NOTE: The contest you qualify for should be the contest you attend (see page 19 for more details). There will be no switching of contests among placings. Also, should a team forfeit and not accept a national contest opportunity, this will not alter the team that is eligible to attend. For example, if the first place Food Bowl team decides to not attend FCS National Championship and Conference, the second place team will not move up into that contest slot. Arkansas would just not have a Food Bowl team attending FCS National Championship and Conference that year.

Contestants will abide by the rules and guidelines set by the national contest. The rules of the national contest supersede those set by Arkansas 4-H O-Rama. Substitutions for National Contest follow the same guidelines as stated on page 5. Only the number of 4-H members who qualify at state will qualify for nationals. Due to an emergency, a 4-H member may not be able to compete at nationals. Substitutions are allowed in this case to keep the same, original number of participants on a team that competed at state. Substitutes, however, must be 4-H members from the same county.

The following contests are considered the “Recognized National Contest” for each of Arkansas’ state winning teams in the related contest fields. Individuals who participate in Arkansas 4-H O-Rama and then go to compete in the following national contests are ineligible to compete again at Arkansas 4-H O-Rama or any national contest associated with that specific contest. For example, if the team that was first place at State 4-H O-Rama Food Bowl competed at FCS National Championship & Conference those individuals may not compete again in Food Bowl at State 4-H O-Rama or another national contest.
