GENERAL RULES

A county is limited to one senior and one junior entry in the Instrumental Division for a maximum of two entries per county.

The Instrumental Division includes both Classical and Non-Classical instrumental music. Music in the educated European tradition such as chamber music, opera, symphony, or jazz as well as contemporary music, country western, popular, and rock are allowed. Note: No singing or vocal utterances will be allowed with instrumental acts.

Accompaniment is allowed; however, this must assume the pure character of accompaniment. The test will be whether the performance would stand alone if the accompaniment were removed. Accompaniment is not considered as part of the act and will not be considered in judging.

SPECIFIC RULES

1. A talent act is limited to **five minutes of performing time**. Five penalty points will be assessed against the overall score of acts exceed the time limit.
2. If an act is determined to be inappropriate for the division, that act will not be considered for an award.
3. An act can have up to five 4-H members. All members of a group must meet the age requirement for the level (junior or senior) in which they are participating.
4. **Performers must provide their own equipment**, instruments, props, and accompanist. This includes sheet music and music stands (if needed). The only exception is a piano. **A piano will be available** for instrumental acts. ***All pre-recorded music used to accompany the contestants MUST be emailed to the State 4-H Office in mp.3 format. No CD's. No music played off phones.***
5. The **top seven (7) senior** 4-H acts per district will be eligible to participate in the Arkansas 4-H O-Rama.
6. This is not a division for acrobatics, gymnastics, baton twirling, dramatic readings, poetry, serious skits, serious pantomimes, comedy routines or prose.
7. 4-H'ers should be prepared to introduce their number by giving the composer and title of the piece they will perform. (The introduction is **not** included in the five-minute time limit.)
