

Arkansas 4-H Project Work Sheet

Dairy Project

Year

Name

Objectives for All Projects	<ul style="list-style-type: none"> • Apply all 4-H training and experience in choosing and preparing for a vocation • Practice leadership skills and roles in 4-H and the community • Take part in community affairs and demonstrate citizenship responsibility. • Develop integrity, sportsmanship and decision-making capability, and public speaking skills through experiential learning.
Objectives for this Dairy Project	<ul style="list-style-type: none"> • Become aware of the scope & economic significance of the dairy industry • Acquire dairy production skills through owning & caring for dairy animals • Learn principles of processing, marketing, distribution & consumption of dairy products • Identify breeds of dairy animals, and the advantages of each type to dairy production • Utilize effective record-keeping to maximize production • Develop an understanding of scientific research & principles of cleanliness & sanitation as applied to the dairy industry. • Understand the important difference between animal rights and animal welfare. • Explore career and job opportunities in the dairy industry.

I worked toward the following objectives this year: (list)

List talks and illustrated presentations related to the projects reported by title.

Arkansas 4-H Project Work Sheet

What have you learned in this project?

List what you have learned as a result of participation in the project along with skills you have acquired related to the project.

Leadership Experiences in this project

4-H Leadership

Other Leadership

Citizenship Experiences in this project

4-H Citizenship

Other Citizenship

Arkansas 4-H Project Work Sheet

Participation in the 4-H Dairy Project

Include the amount of project work (number of items, number of times, etc.) along with related experiences such as tours, public speaking, research, career exploration, etc.)
